Monster King Jandhasur became synonymous with terror on the whole earth

Commander Khuranpati, summon the guilty/have the culprit be present

I will right away, Great King

at this time he was sitting as a whirlwind of fire in his court

the guilty was called in/the culprit was brought in

What is the accusation on him?

This is the king of Neel Nagar\* Neel Gagan. He has refused to give a 100 people as tax

\*nagar is like an area or vicinity

Jandhasur's eyes began to fill with the fire of rage

GRRRRRR

He is a rebel

...While we have been taking hundred people every day from our state as our dosage. From this Our life goes on.

?!?

Yes Great King. Looking at him, other kings will be persuaded to do the same

You've spoken right Khuranpati. Break him into pieces and distribute the remains to the beggars

A screaming Neel Gagan was taken by force

Nooo let me go

Come on

After this, his flesh was distributed to the beggars

But Khuranpati had no pity

Wow, this is very tasty/ tender meat

Khuranpati made pieces of King Neel Gagan

These were the strange beggars of Jandhasur. Neel Gagan's flesh was chewed right down to the bones

Then Jandhasur issued a strict order

Commander Khuranpati, spread the news on the whole Earth, and if anyone tries to rebel, finish them off

Yes Monster King

As soon as the order was heard/issued, the monster army began moving...

हर्... र...

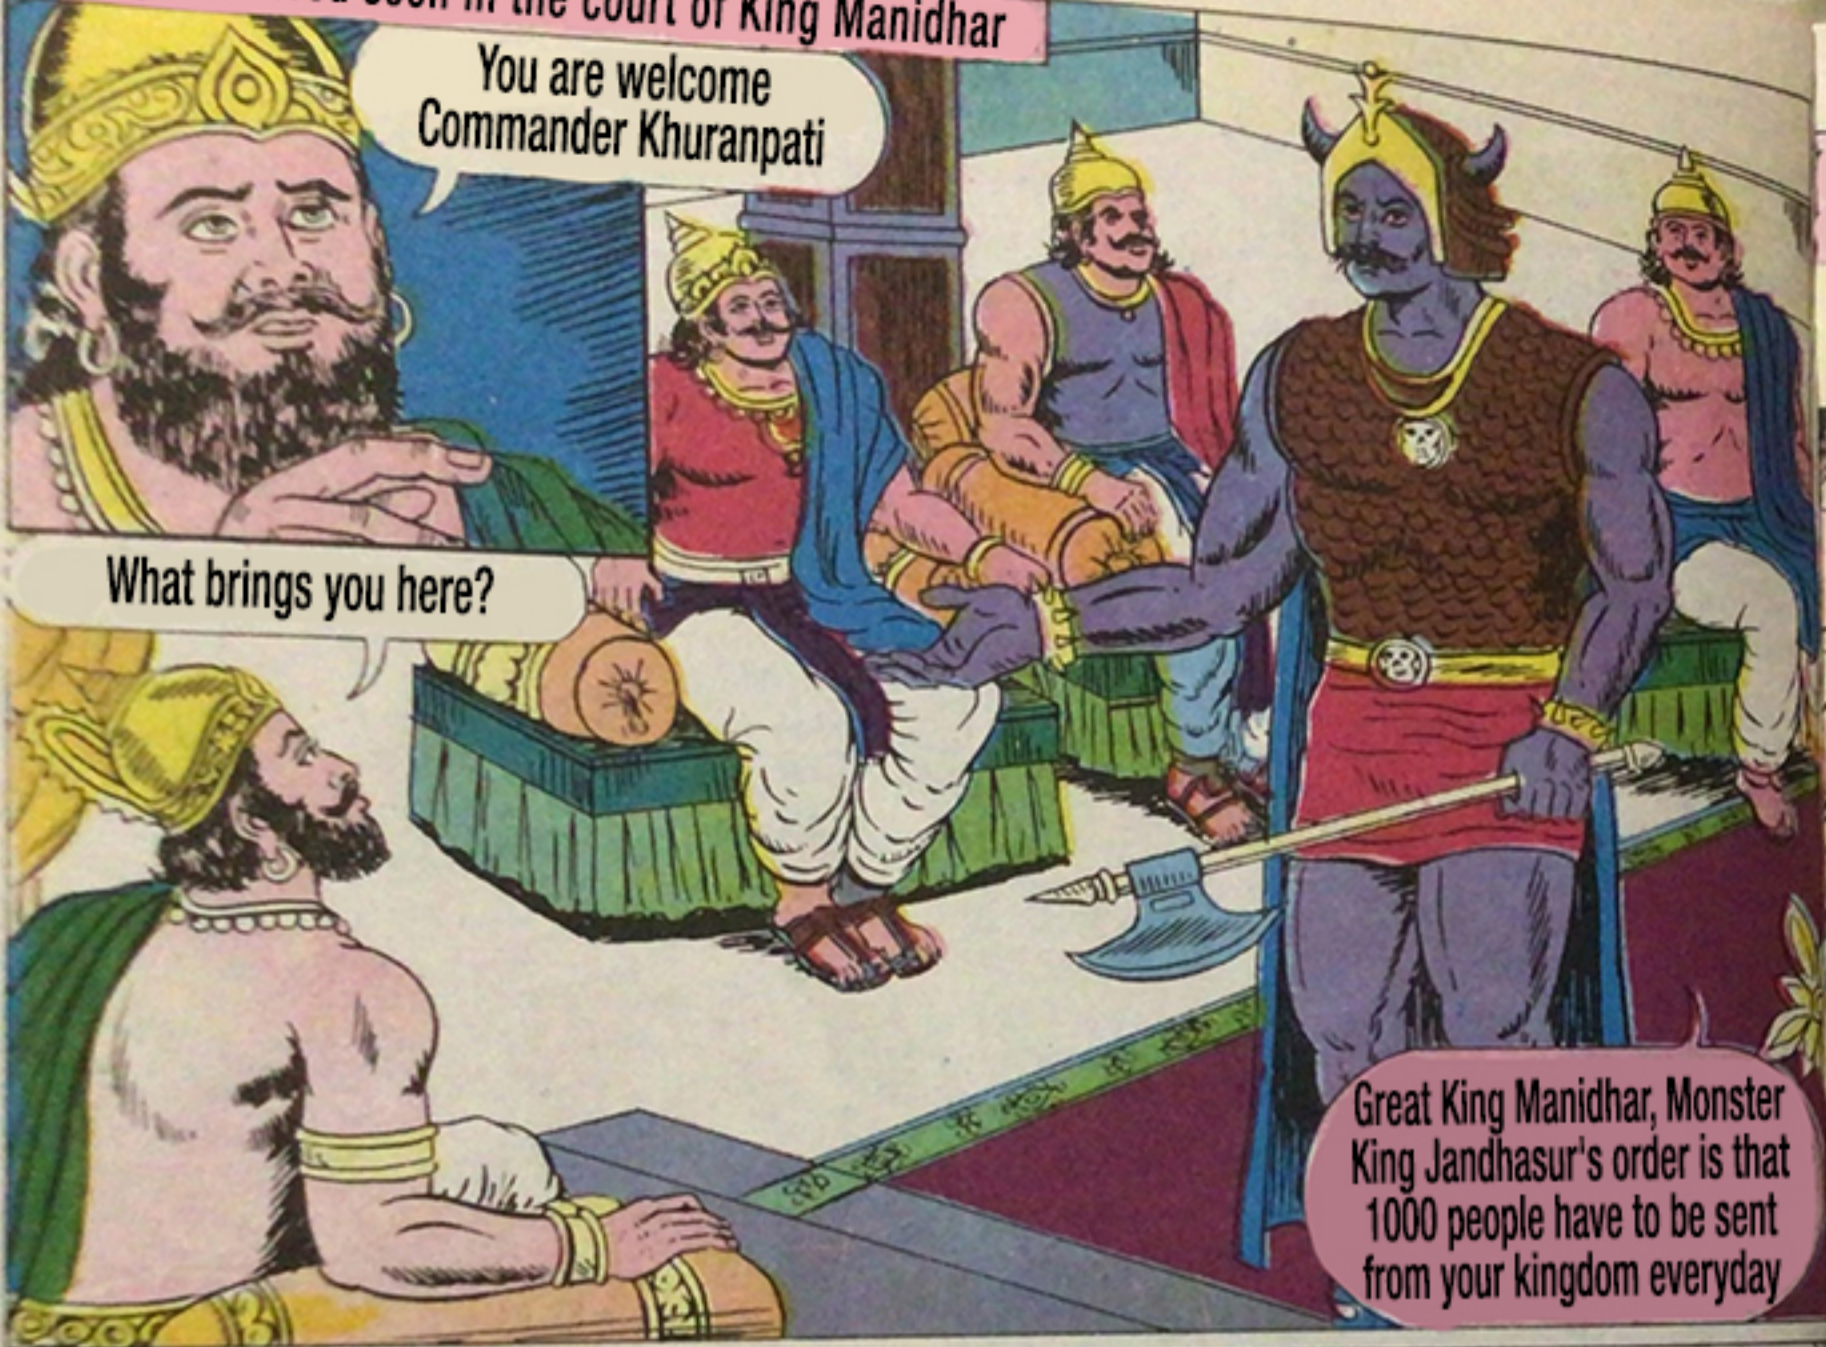

हा.. हा..

Grr, Anyone who goes against the monsters will not be left alive at the hands of Khuranpati

गुर... र...

Khurapati arrived soon in the court of King Manidhar

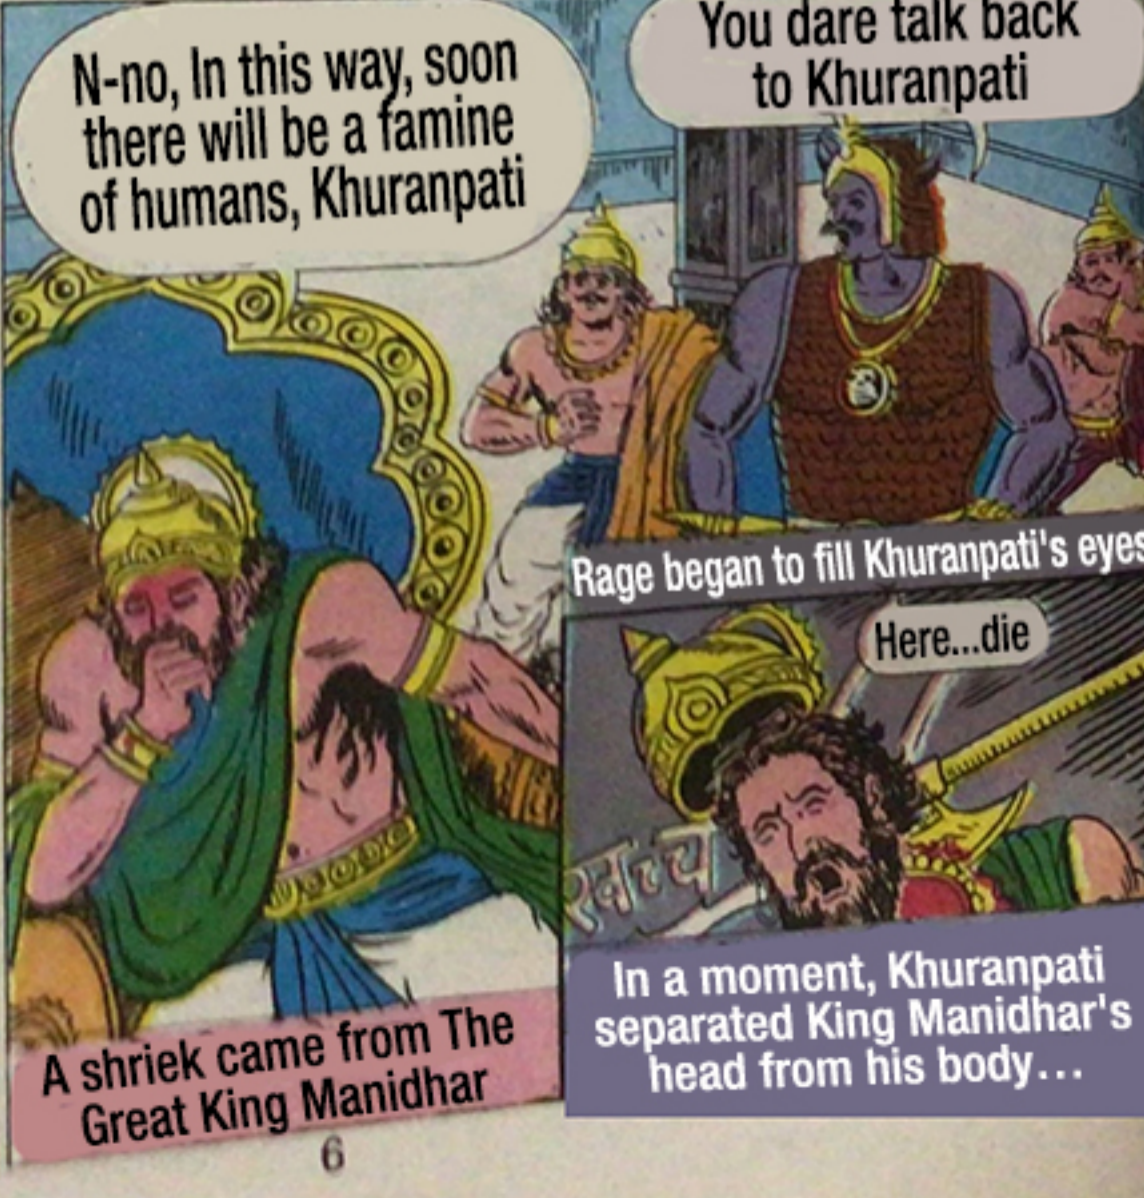

You are welcome  
Commander Khuranpati

What brings you here?

Great King Manidhar, Monster King Jandhasur's order is that 1000 people have to be sent from your kingdom everyday

Monster numbers are growing very rapidly

N-no, In this way, soon there will be a famine of humans, Khuranpati

You dare talk back to Khuranpati

Rage began to fill Khuranpati's eyes

Here...die

A shriek came from The Great King Manidhar

In a moment, Khuranpati separated King Manidhar's head from his body...

समुद्र मन्थन

Then Khuranpati and his monsters attacked the whole city

Finish them all

RUN!

हसस

आसस

From the terror of the monsters

Everybody is finished. Ha...ha...ha... They came to fight us

The cannibalistic monsters began chewing on people like they were carrots and radish

..comes total destruction of humanity

A chortle arose from Khuranpati

The army marched forward after turning the land into a graveyard

Now we will teach all the other kingdoms a lesson like this, only then will the power of the Great King of Jandhasur be made/felt

धप्प... धप्प...

आह !

Bloodshed was spread all around. The silence of death was in the atmosphere. Today was a tragedy for mankind. No one knew why God slept through this

समुद्र मन्थन

हा... हा... हा...

Khuranpati's horrors grew and one kingdom after the other began falling

Today Chakradharpur's death orgy was planned

Through this killing, Khuranpati reached the court of Chakradharpur

No. We cannot give a 1000 men daily

Veer Raja Vikram's head was separated from his body and fell some distance away

But you can die

In the blink of an eye, Khuranpati swung his axe

The whole court was stunned. Before the courtesans could understand what was going on, Khuranpati's axe separated all their heads from their bodies

RUN, Khuranpati has come

Noo..ee..ee

Where are you running? My dancing queen

आस्स

स्पाट

हा..हा..हा..

Khuranpati's hand extended towards Priyavada and grabbed her

Priyavada somersaulted through the air

Countless men, women and children were killed by Khuranpati's demons

कलाबाजी खाती हुई...।

आह

?!  
?  
?  
?

...and fell innocently in front of Sage Gorgarjan, did Priyavada

Who are you daughter?

I...Im...Sage...

Priyavada felt awkward and could not speak coherently

Sage Gorgarjan's eyes opened...

Monsters have spread terror on the Earth, Sage.

After a while

Do not fear daughter. Tell me, what troubles you?

Sage Gorgarjan went into a trance

Priyavada began to tell everything

All that Khuranpati had done was revealed to Sage Gorgarjan

Sage Gorgarjan's blood started to boil

Sage Gorgarjan pulled out a strand of hair from his head

No. as long as I am here, I will not allow the Earth to be a pawn to this evil

And boiling water began to flow from the hair

?!

कड़कड़

As soon as the hair started to boil, there was an explosion on the palm of Sage Gorgarjan. The light all around was so bright that Priyavada had to clamp her eyes shut. It appeared as if a superpower was about to embrace the incarnation

Fantastic smoke began to rise from the hair

A screaming Neel Gagan was taken by force

After a few moments, the smoke cleared. Now a powerful man, Shiva, stood in the place of the hair

Shiva Vaksh was the name of the super human, he fell at the feet of Sage G

Child ShivaVaksh, go and spread peace on all the Earth

Greetings Sage. What is your order?

In fact, ShivaVaksh was a part of Sage G

From the eternal depths of creation, I have summoned you here. Go, end the demons

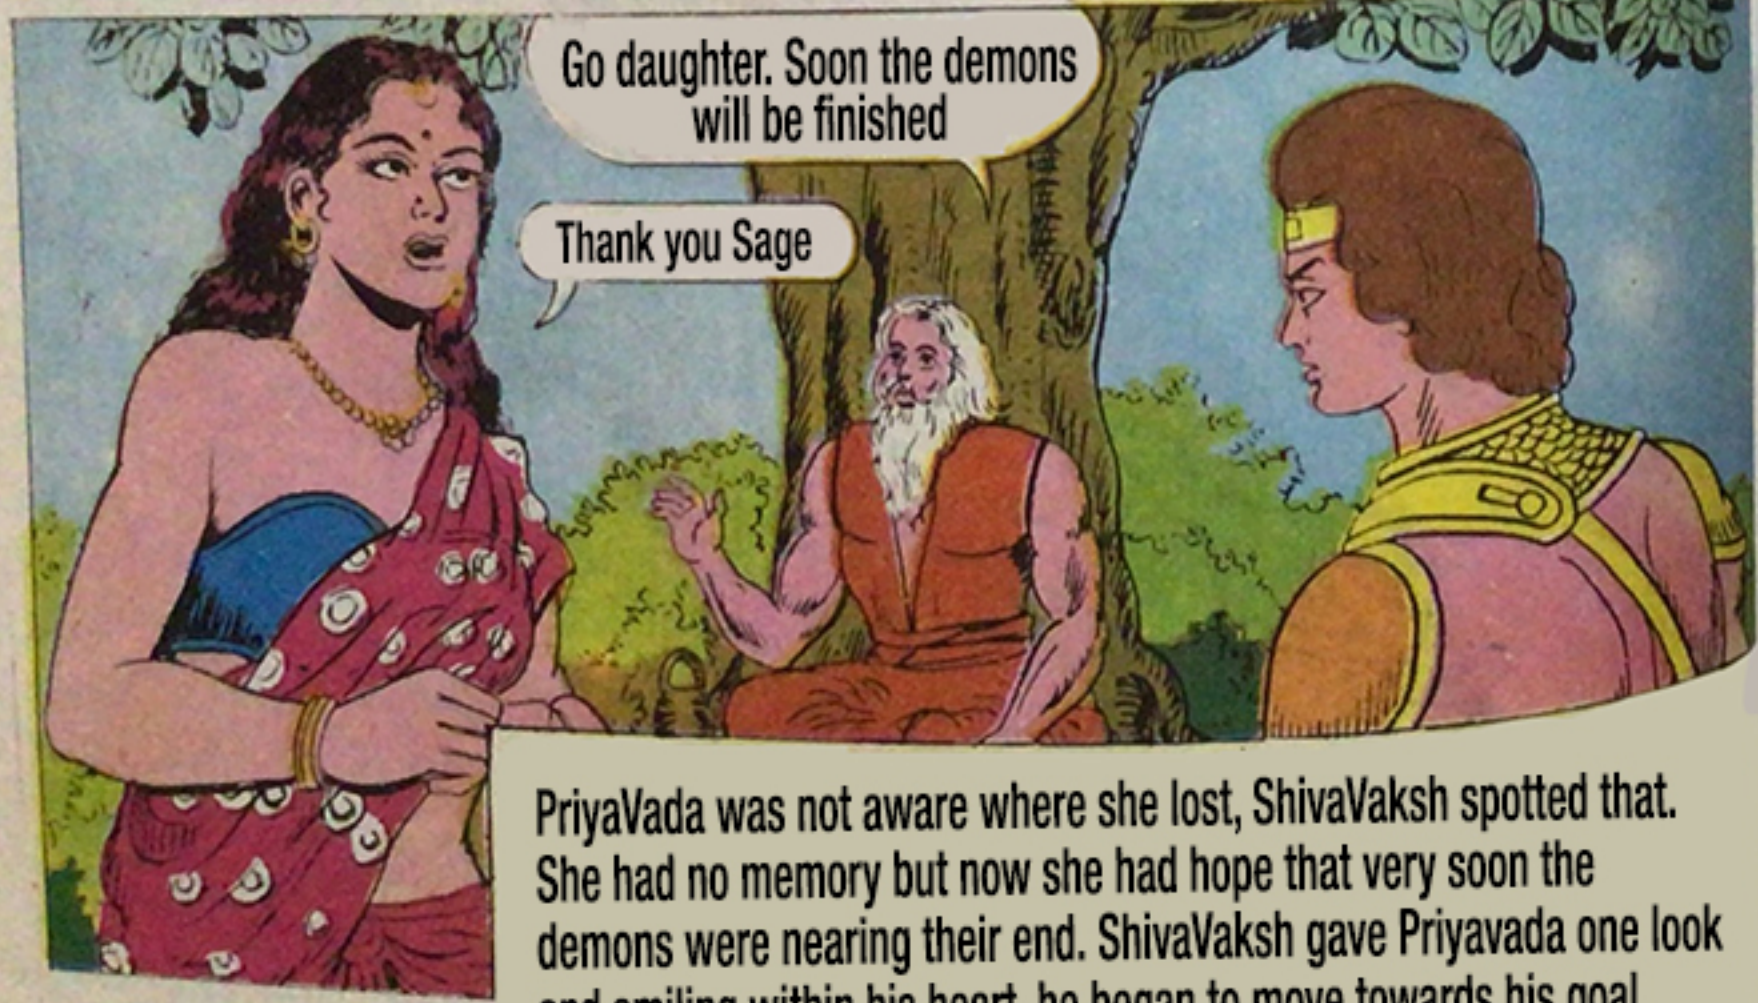

By your command Sage

Be well, child

Go daughter. Soon the demons will be finished

Thank you Sage

PriyaVada was not aware where she lost, ShivaVaksh spotted that. She had no memory but now she had hope that very soon the demons were nearing their end. ShivaVaksh gave Priyavada one look and smiling within his heart, he began to move towards his goal.

Over there, Khuranpati's plans were ongoing

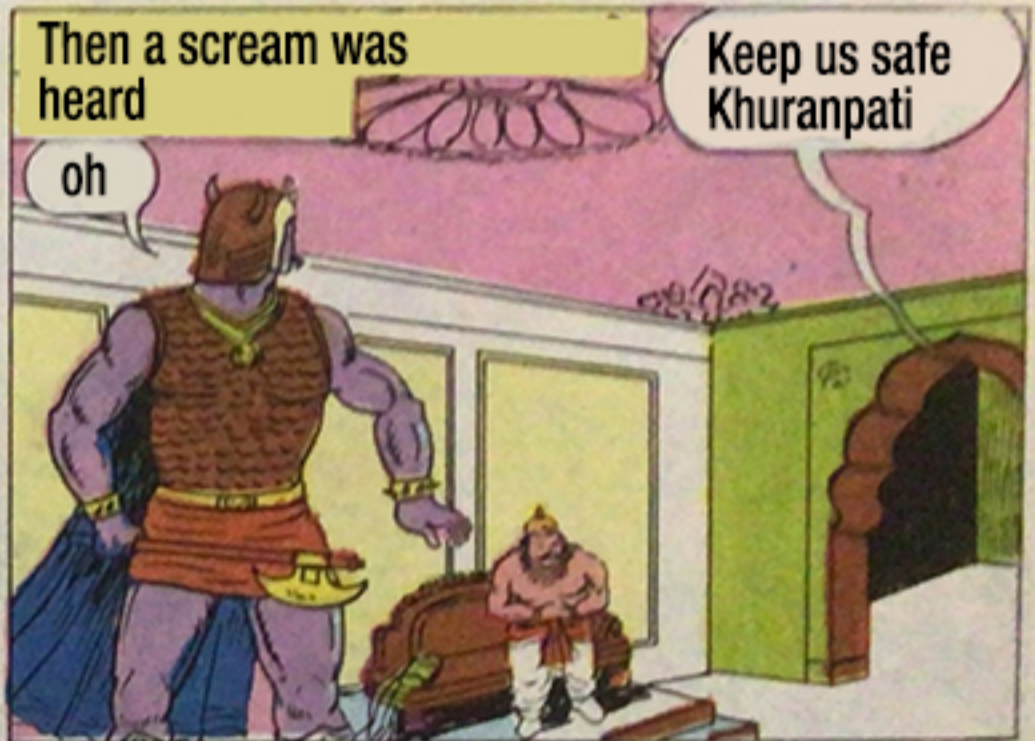

I...I am ready for any of your requests Commander Khuranpati

Fantastic King Bondmul. You are a useful man

I will reward you

Thank you Khuranpati

Then a scream was heard

oh

Keep us safe Khuranpati

What happened, Khoonkharaba? Why are you screaming?

Commander, a young boy has killed innumerable demons. And now he is coming this way

!?

You got beat by an ordinary boy.  
Come on, I will see to him

A few moments later

Oh! He is cutting my companions  
down like carrots and radish

Oh!

Khuranpati stood frozen. It was a strange scene. ShivaVaksh was chopping down Khuranpati's soldiers like a farmer cuts down his crop. Seeing his companions, his eyes started to burn like coal

Khuranpati screamed in anger

Naïve boy

I will give you death. Death!

?!

This where the monster army gets their orders?

कनाक

Khuranpati swung his axe in the air...

Khuranpati, I will give you death

Aaaah

ShivaVaksh's well placed blow threw Khuranpati off balance

ओह!

Khuranpati's axe wounded ShivaVaksh's shoulder

You dare go against Commander Khuranpati, whom Grand Kings

A deadly duel broke out between the warriors

Oh! He is very strong!

In a blink of an eye, SV's wound healed itself and then SV stopped Khuranpati's axe with his sword

The Earth was filled with sounds of weapons clashing

A full show of strength was shown by both warriors

Oh! My spellbound axe has been broken

KP began to flutter

Suddenly a quick swipe had Khuranapati's axe broken

Next moment

I have to invoke my powers to finish this

ह्रं ह्रं... रं...

बलबल

टप टप

KP began to invoke his magical strength

Next moment

Now you won't be saved SV.  
Ha ha ha

Your dreams for sure will never be fulfilled KP

Your pawns, they will die like ants

GRRRRR

Sound of sweet  
sweet blood

गार्गी

The earth was shaking with the footsteps of Kabora and Panshur. It was a very fierce competition. In their arrogance, both monsters had forgotten that their battle was not with an ordinary human but with a piece of Great Sage Gorgarjan from which was born SV

First strike was by Panschur

You will not survive my electric rays

Panschur, make arrangements to save yourself first

कड़... कड़क...

शं SSSSS

But

कड़क

SV repelled Panschur's three stroke

oh

Ha ha ha , this time I won't give you much of a chance Panschur

फ़ांर

This time Panschur tried a fire volley

?!

Oh! This power also has been destroyed

भनाक

By creating a water force, SV calmed the fire down

You won't save yourself this time SV

शांय

कड़क

ओह!

With thunderous rage, Panshur swung the club.... This time when Panshur swung

but SV was cautious

?!

कचाक

SV broke the club into numerous pieces As soon as the mace was broken, all Panshur's powers went away

SV's sword cut up Panshur into many pieces

Kabora was enchanted by thrilling fight, awoke at the death of his partner

ShivaVakshhhh

Kabora did not give SV a chance to compose himself

Kabora's deadly strikes kept SV silent

but this time  
Enough has happened,  
this is enough Kabora

मनु मन्थन  
I will not give you any more  
chances

श्रीगणेश  
SV didn't let Kabora make any impact

आह !

स्वर्च  
SV's sword separated Kabora's neck  
but the neck attached itself

हा.. हा.. हा..

!?

SV felt like he was diving into a sea of wonder

HA HA HA HA

GRR...

Oh! Two in one place

Kabora was a fierce sorcerer

Now in one place two Kaboras were standing

I will finish off both

SV swung his sword wildly in the air

SV was blindly wounding

The sword cut one Kabora into two

the second one was also not spared

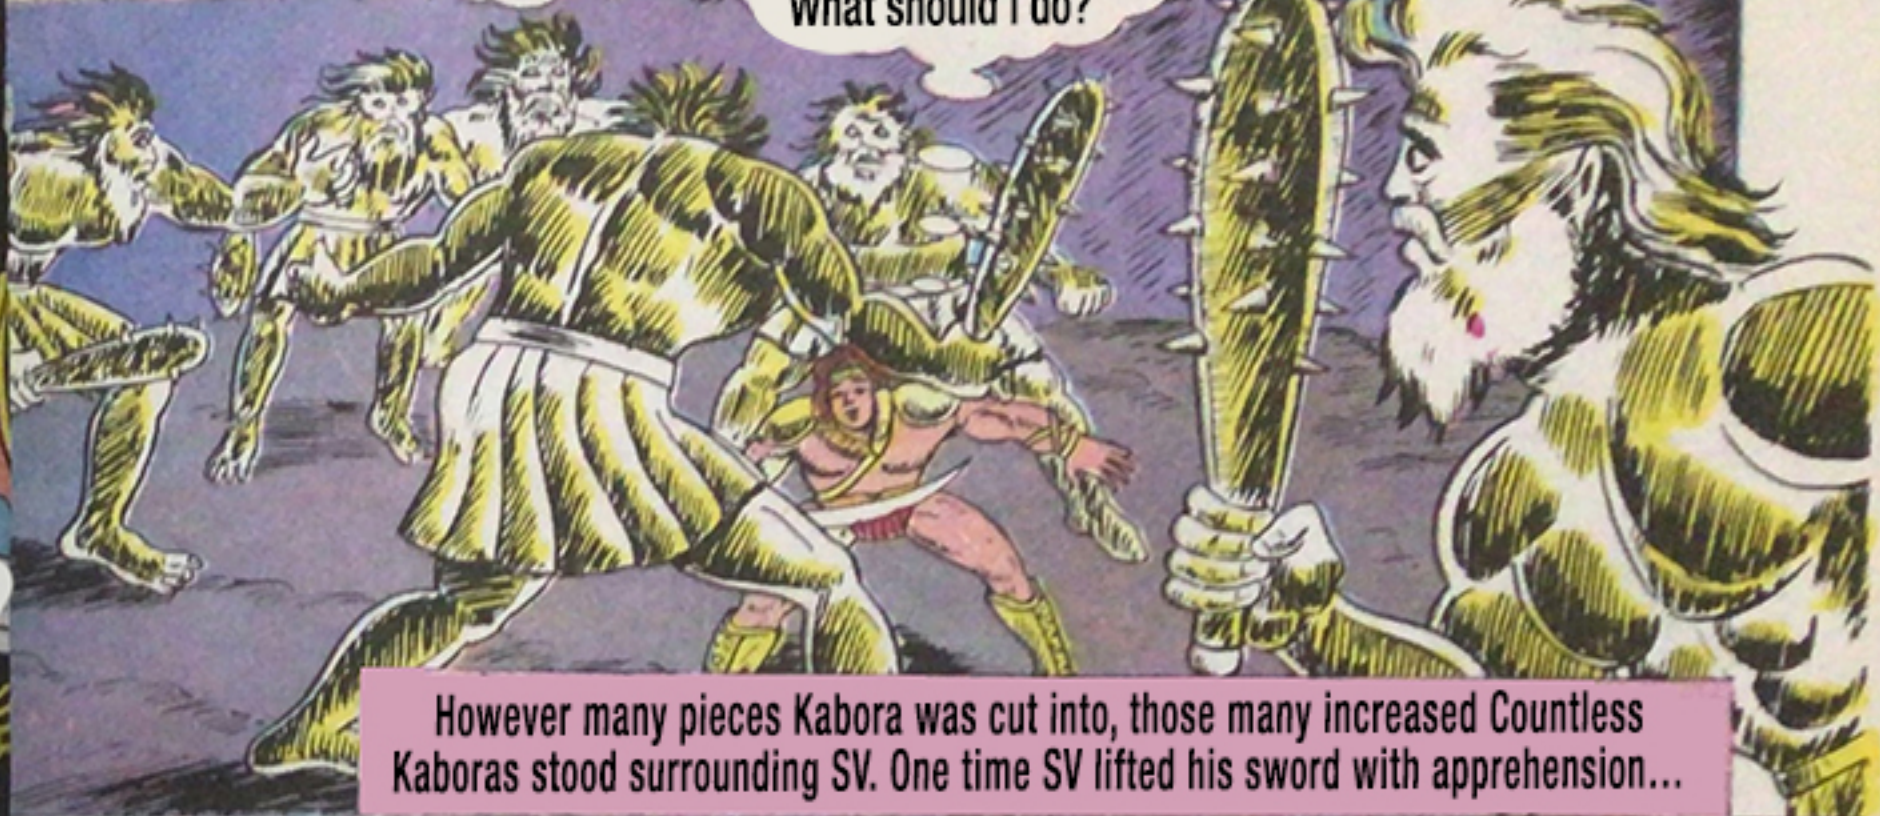

It was not going to be easy to finish off Kabora

SS

I keep cutting him up and he increases in number  
What should I do?

हुर्र... र्र...

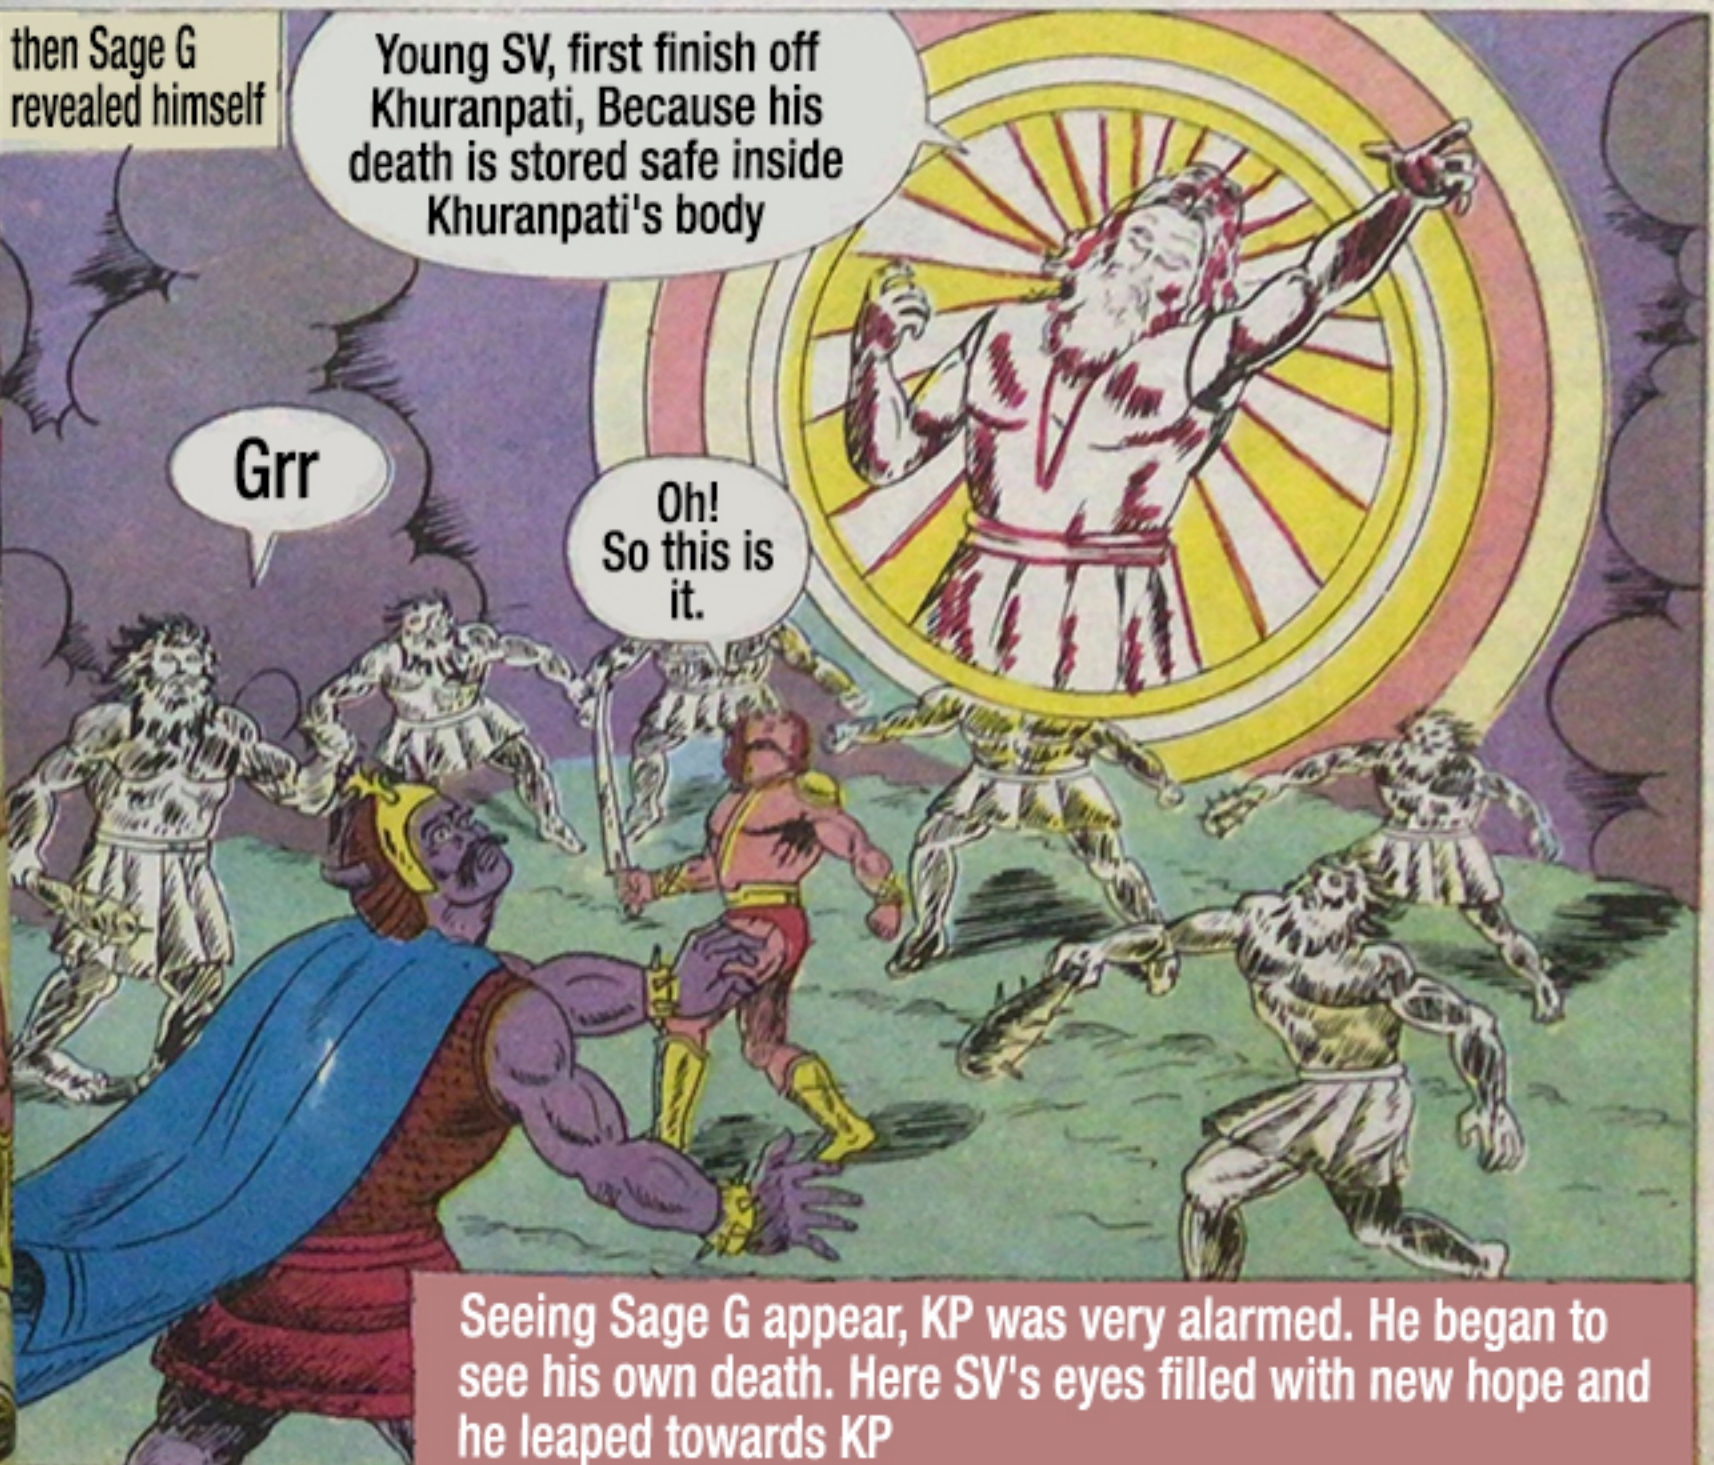

However many pieces Kabora was cut into, those many increased Countless Kaboras stood surrounding SV. One time SV lifted his sword with apprehension...

then Sage G revealed himself

Young SV, first finish off Khuranpati, Because his death is stored safe inside Khuranpati's body

Grr

Oh!  
So this is it.

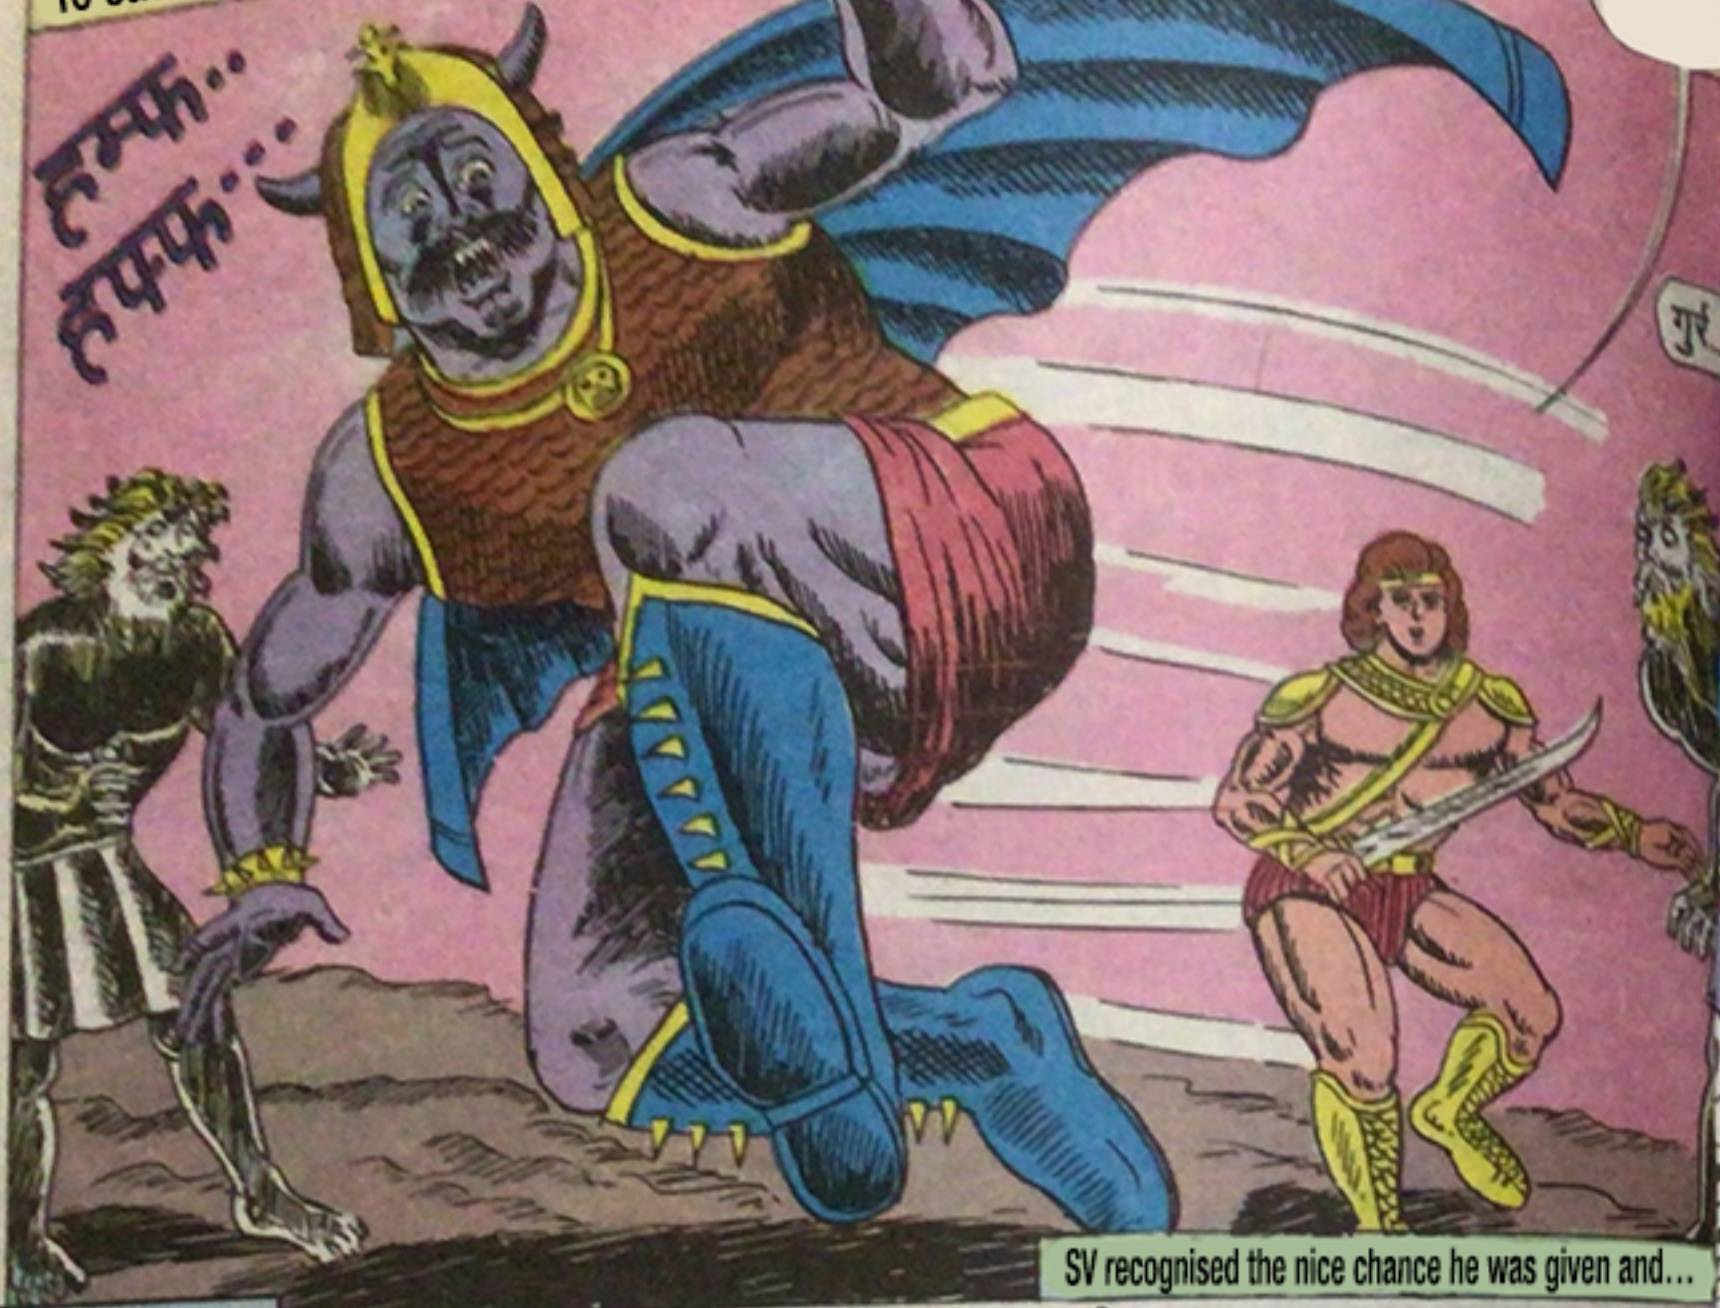

Seeing Sage G appear, KP was very alarmed. He began to see his own death. Here SV's eyes filled with new hope and he leaped towards KP

You will not be able to save yourself by running, evil KP

To save his life, KP began running

SV recognised the nice chance he was given and...

KP couldn't save himself

the peace messenger SV pulled the sword

KP was running very fast

the sword stabbed him...

KP fell to the ground

KP dashed to the ground

He is done for

...Kabora was also destroyed

KP took his last breath, with him....

But Jandhasur still remained...

बड़ास

but Jandhasur still remains

SV pulled out his magic sword from KP's dead body. Now his goal was the monster emperor of Jandhasur

Over there as soon as the news of Khoonkharaba reached the court of Jandhasur and the story was told

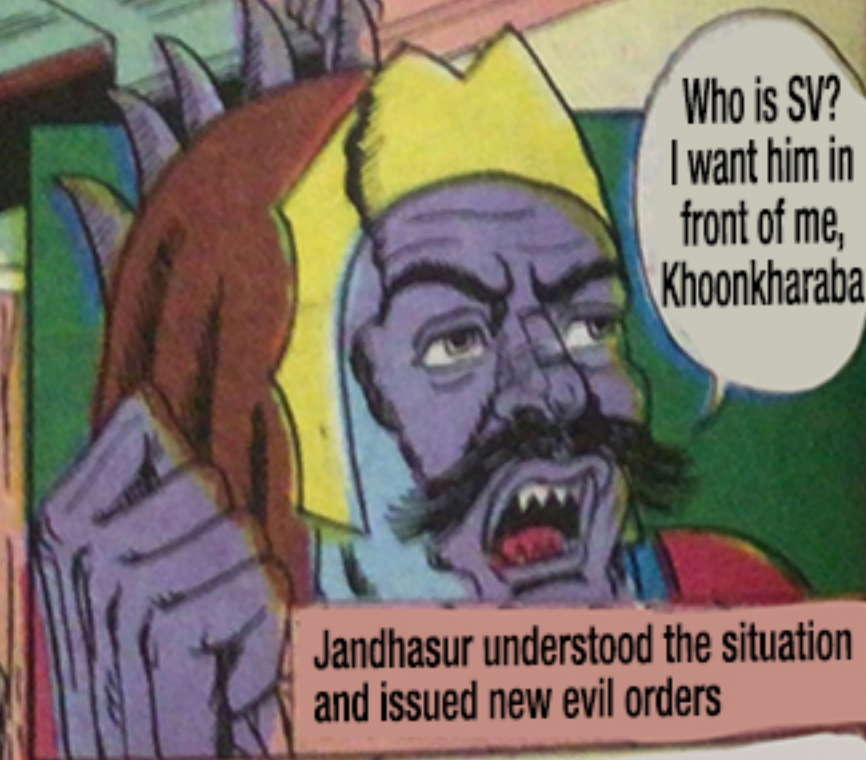

What are you barking, Khoonkharaba?

As soon as he heard what happened, Jandhasur became livid...and he slapped Khoonkharaba very hard...

Who is SV? I want him in front of me, Khoonkharaba

I'm telling the truth Great King. Commander KP is dead. SV killed him.

Jandhasur understood the situation and issued new evil orders

I will finish off that pup with my own hands

The Great King wants to send me into the mouth of death

Khoonkharaba was trembling at heart, but then he decided that it is better to die at the hands of DR rather than die at the hands of a divine man, SV, so that the next birth can be worthwhile.

before Khoonkharaba could leave the place thunder and a flash of lightning appeared

OH

?!

the messenger of peace SV

You? Who are you?

The same, the one who killed KP

Jandhasur was bewildered

This is him, the one who finished off Commander KP

oh

You have come yourself to become food for me. Ha ha ha

Jandhasur was not distracted

I will make breakfast out of Khoonkharaba

I will make you my breakfast

हा.. हा.. हा..

शांय SSS

नहीं SSS

SV flung Khoonkharaba towards Jandhasur

धप ड SSS

Oh, he is very shrewd

Khoonkharaba fell into Janshasur's mouth

हूँ SSS

Out of Jandhasur's mouth came flames and he left his mouth from hell open...

poor Khoonkharaba

Ahhhhh

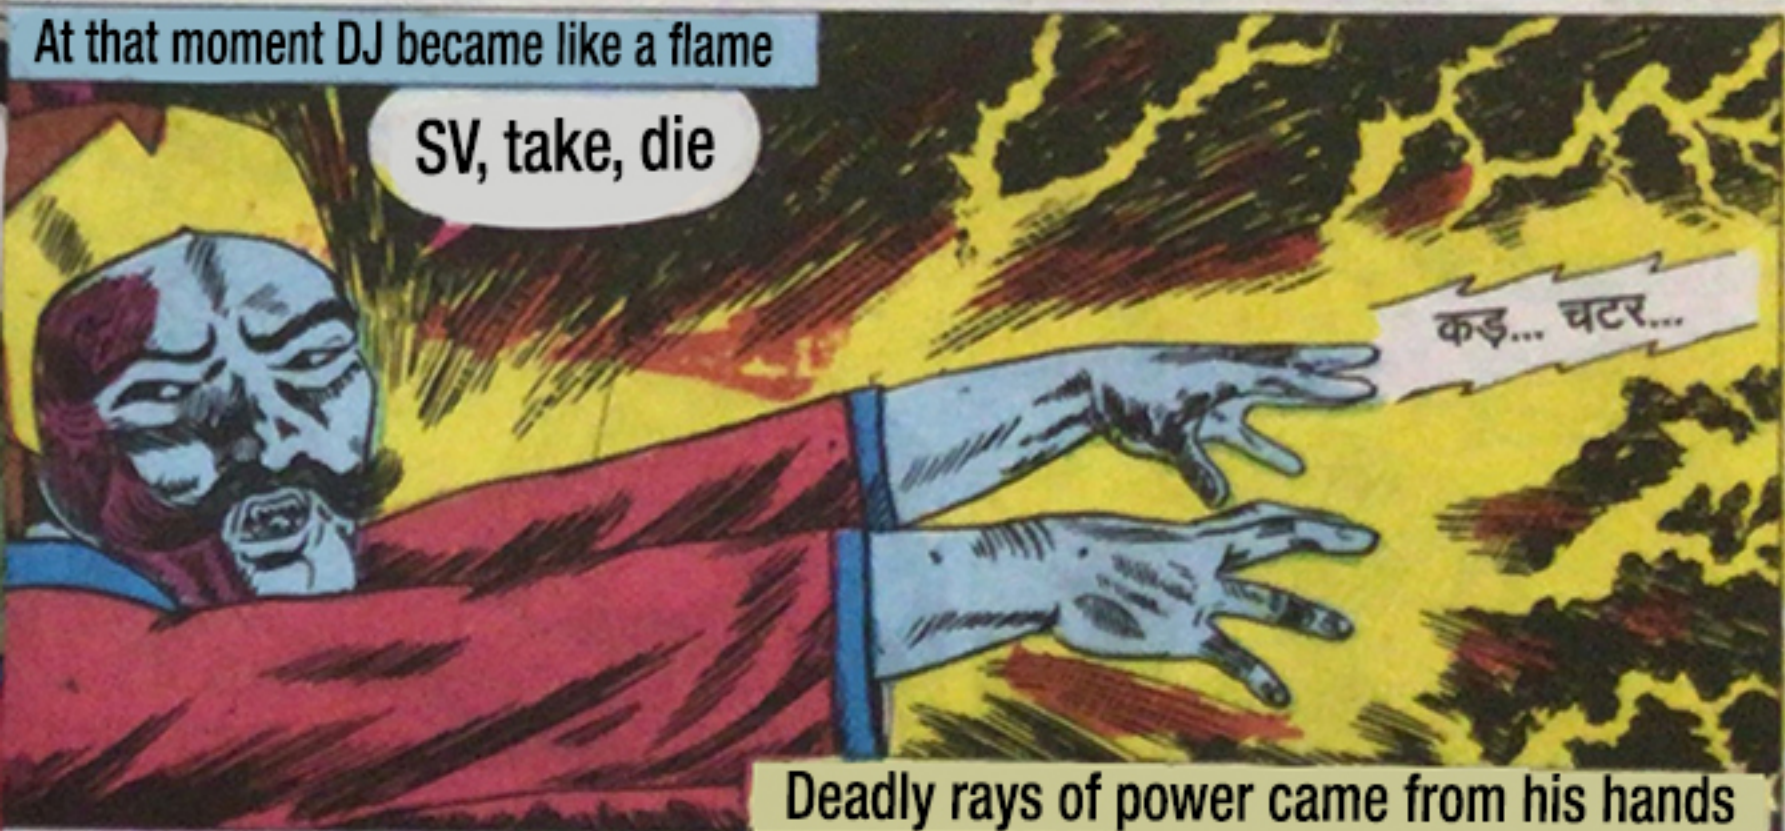

It will be better if I run from here

Ohh

but my name is Monster King Jandhasur

then out of Jandhasur's mouth came a gale force and Khoonkharab's body flew in SV's direction...

At that moment DJ became like a flame

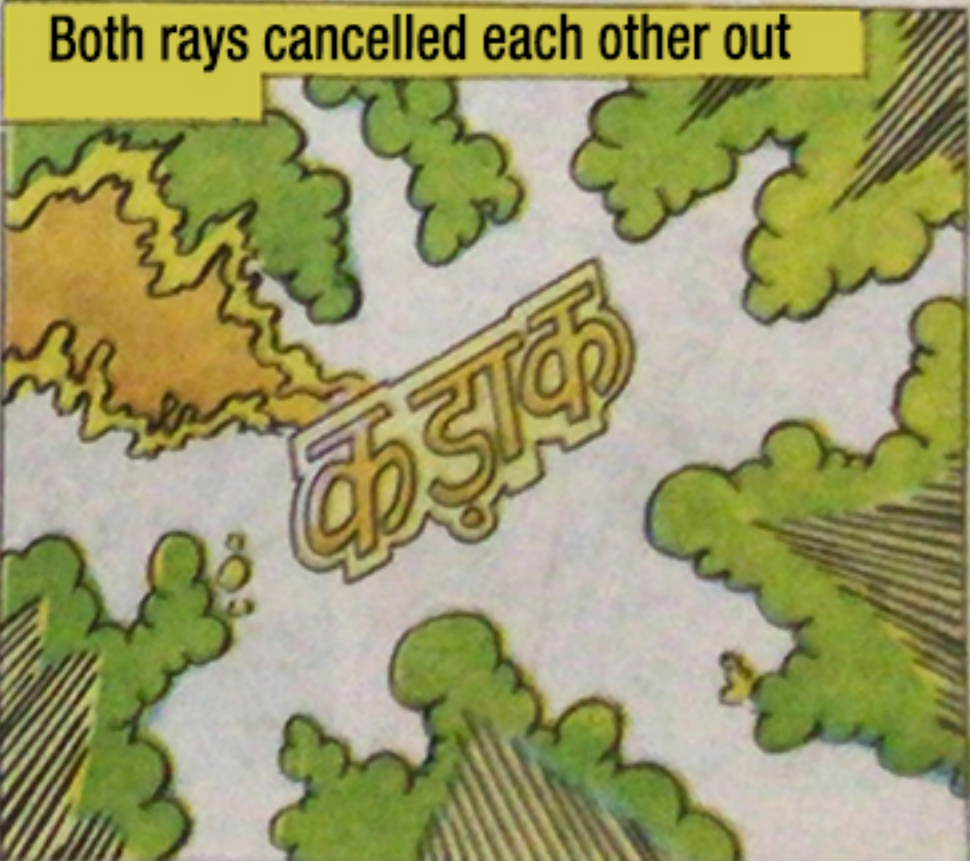

SV, take, die

कड़... चटर...

Deadly rays of power came from his hands

Oh! Deadly power. I have to stop him

Both rays cancelled each other out

Light beam came out of SV's sword

This time, the sword of Shiva was woken up in the air, and the most dangerous ray....was sent

आह !

Oh, this fatal blow has also passed through him

चटर चटर

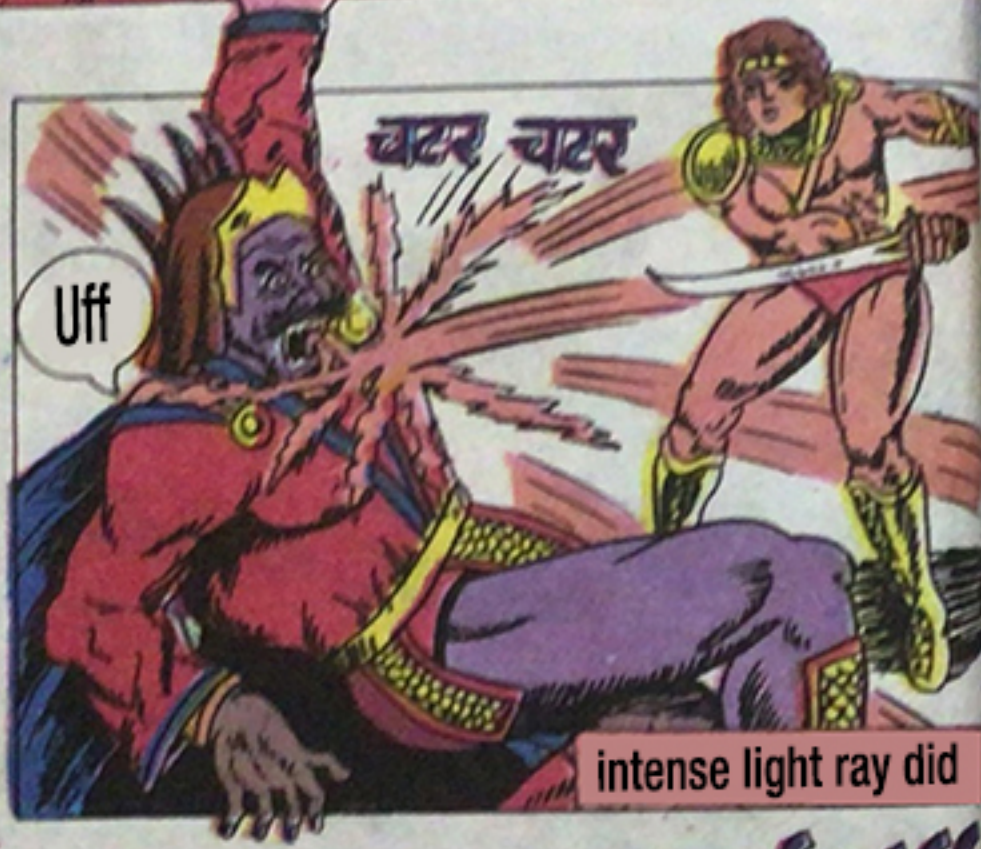

but this blow just passed through the fiendish Jandhasur

SV tried blow after blow

चटाक

Ahhh

चटर चटर

Uff

intense light ray did

चटर

भडाम

आह्ह्ह्ह

..not give Jandhasur a chance to recover

My powers are getting weak. I will have to summon my great powers

He's still alive after using so much force

चटर

It surprised SV too

Jandhasur began to summon his super power

Moments later

Jandhasur began to fiddle with his talisman powers

A quick talismanic storm emerged from the talisman

Talisman Storm! Take him and keep him at my Talisman Palace

भ्रंश

हा...हा...  
हा...हा...

Oh!

जुम

It is very hot in this storm

स्त्रांय

जुम

This is starting to lift me up

Watching the talisman storm carry SV towards the Talisman Palace

Moments later, SV became a prisoner in the Talisman Palace

As soon as you came to Talisman Palace, all your powers became mine

AH!

SV tried to connect with Sage G

Now you are ordinary man

I will make him suffer and die

Sage G help me

The call went out

Help me Sage G

?!

Farther & farther

And soon after the call reached Sage G...

मन्थन

Help me Sage G

Outcry from SV?

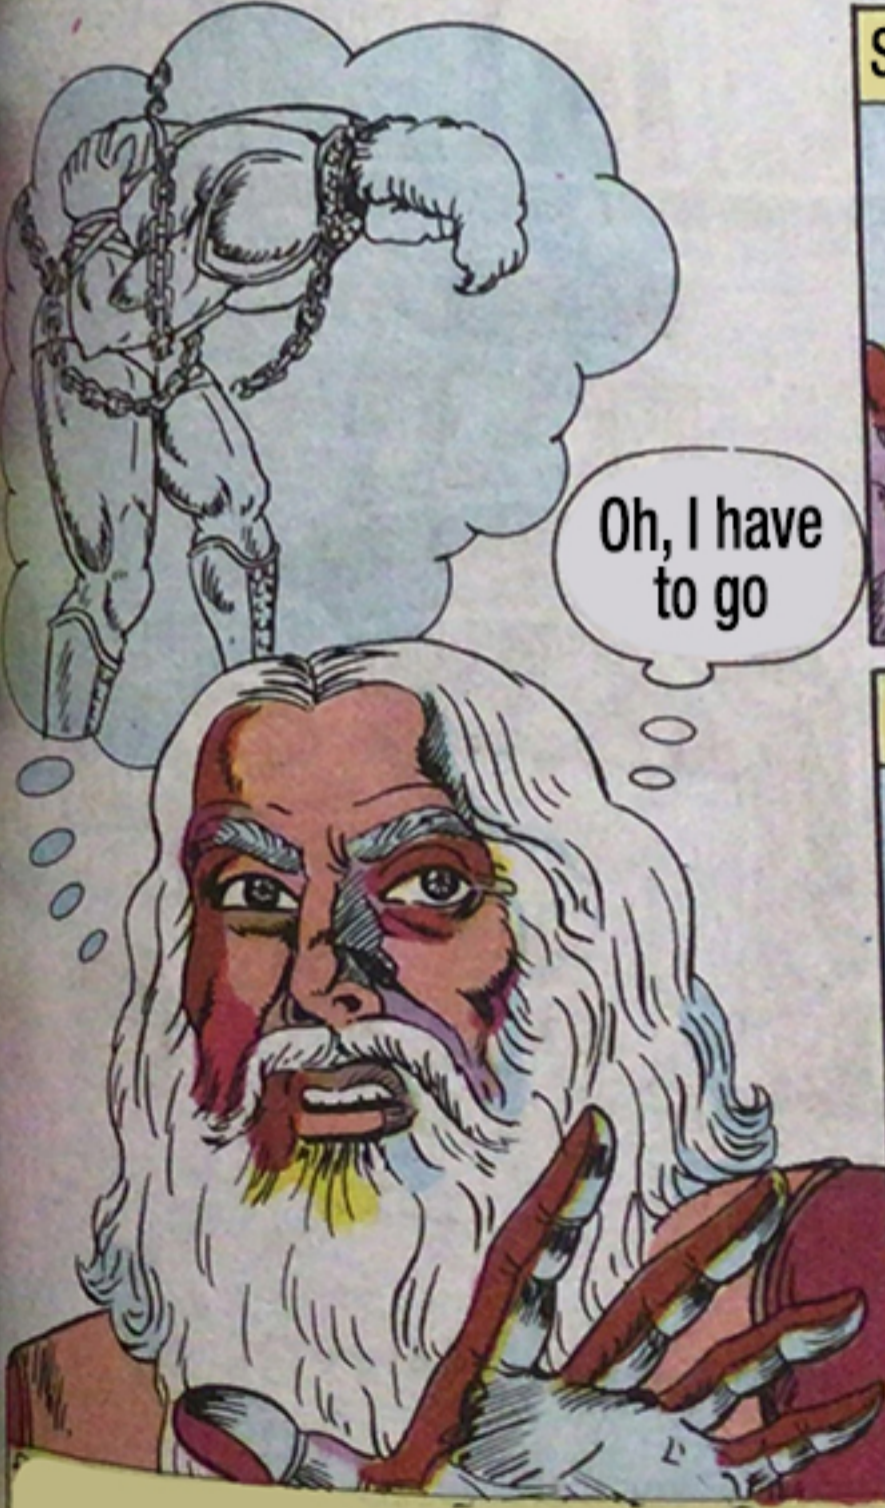

Sage G was on his way to Talisman Palace

SV is the only one who can deliver Jandhasur

Oh, I have to go

Soon enough

This is Talisman Palace

As soon as Sage G heard SV's call, he became distressed

As soon as Sage G was about to set foot into Talisman Palace

Careful careful careful. As soon as you enter talisman palace, all your powers will be taken away Sage G

Heeding the gods, Sage G did not step forward..

Loving gods, what do I do?

Sage G's question was answered in the sky

Churn the ocean. The end of Jandhasur and the Talisman Palace is possible with the power that comes from the ocean

As you command god

Sage G moved in the direction of the ocean's coast

Soon at the ocean's coast...

...for the churning of the sea

To make one more ocean churn, Sage G got ready to fly. His target was the Indian Ocean

Pensive as he stood and in front of him the everlasting Indian Ocean

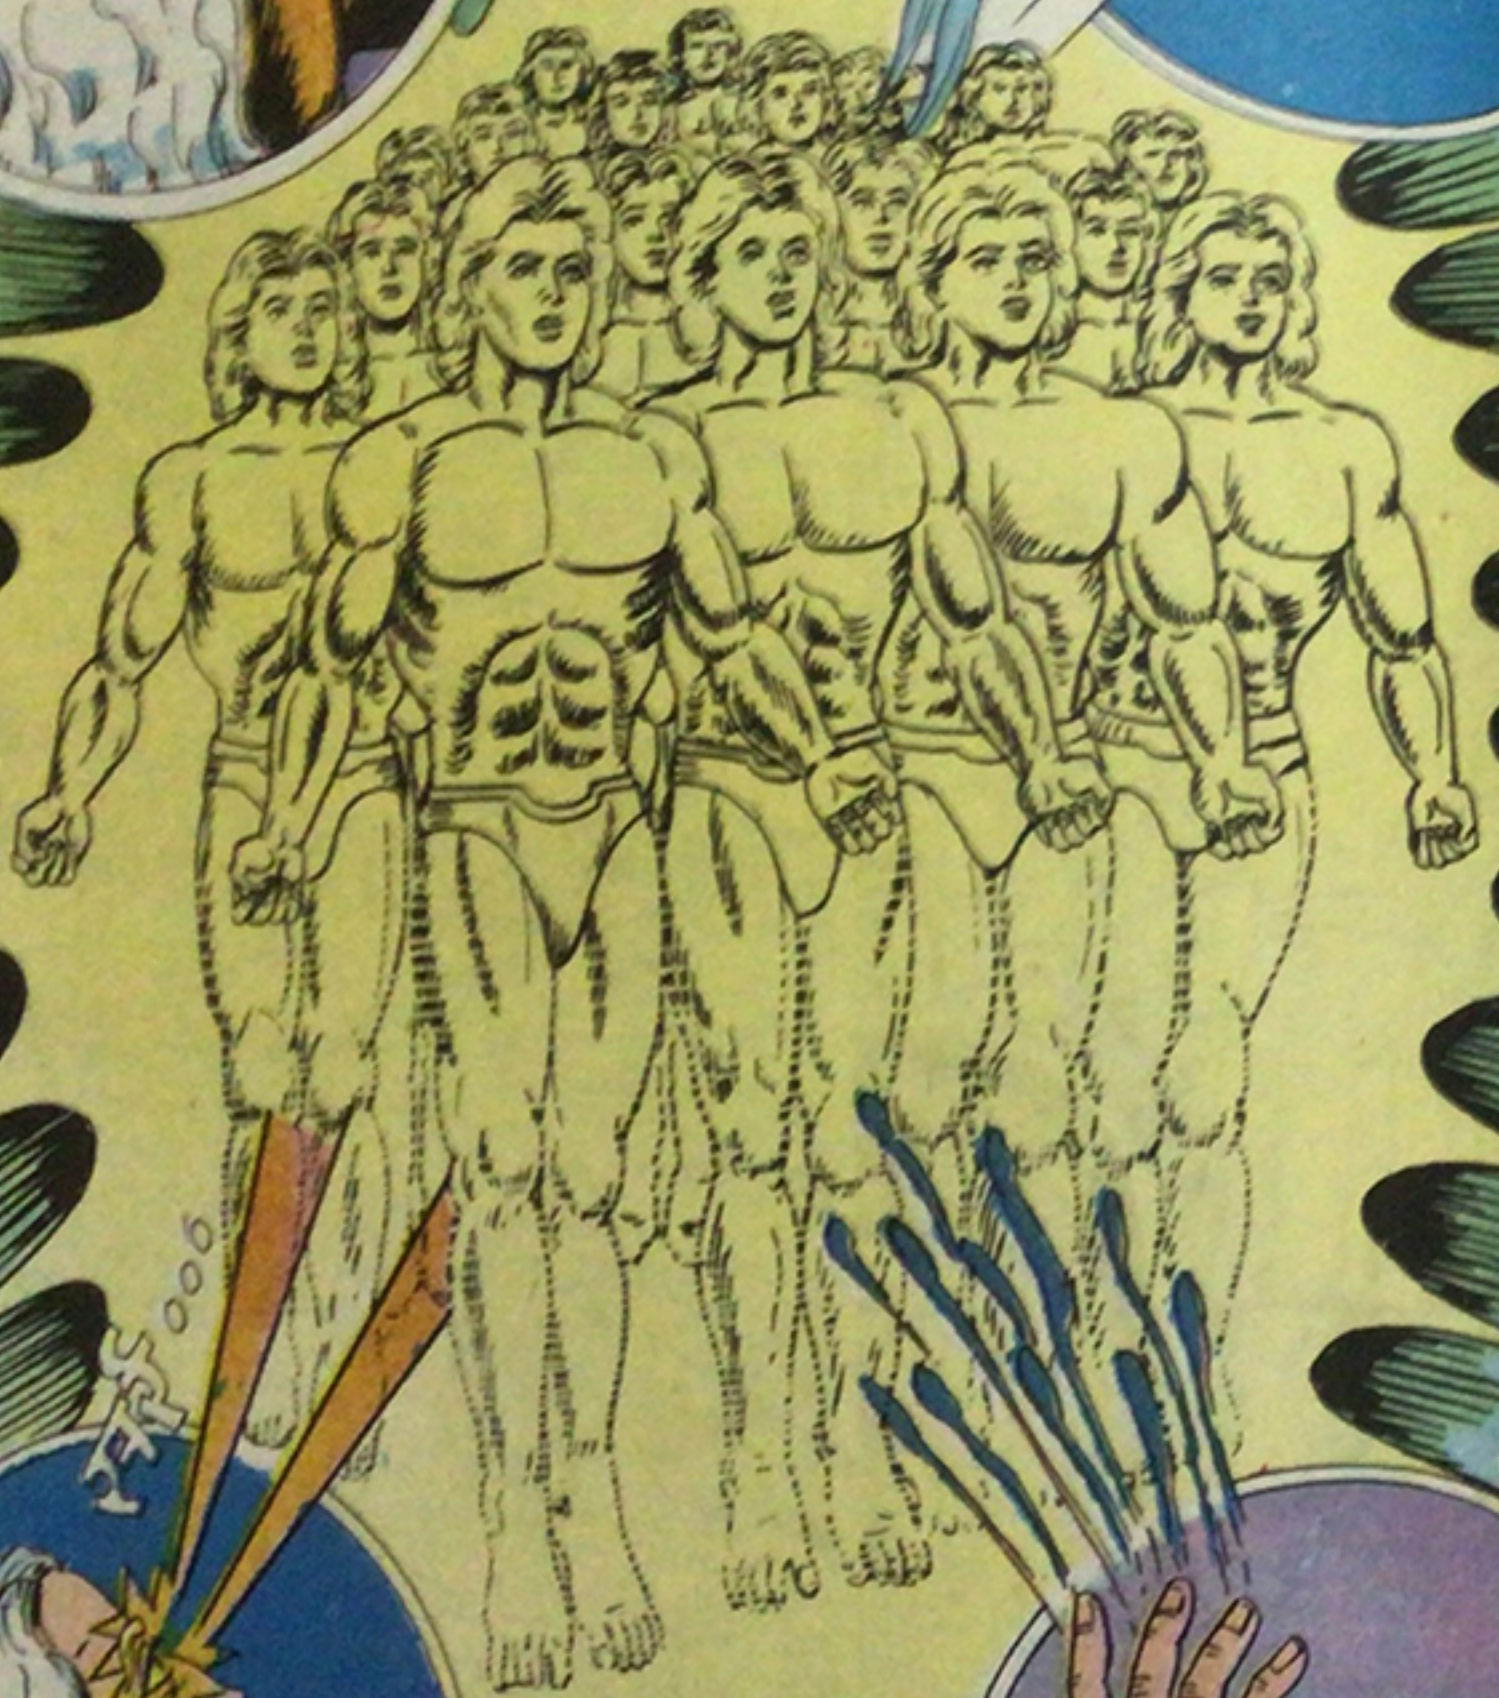

I have need for a few boys

Then in his heart the Sage wished for something ...he pulled out a few locks of hair and made a powerful prayer over it....

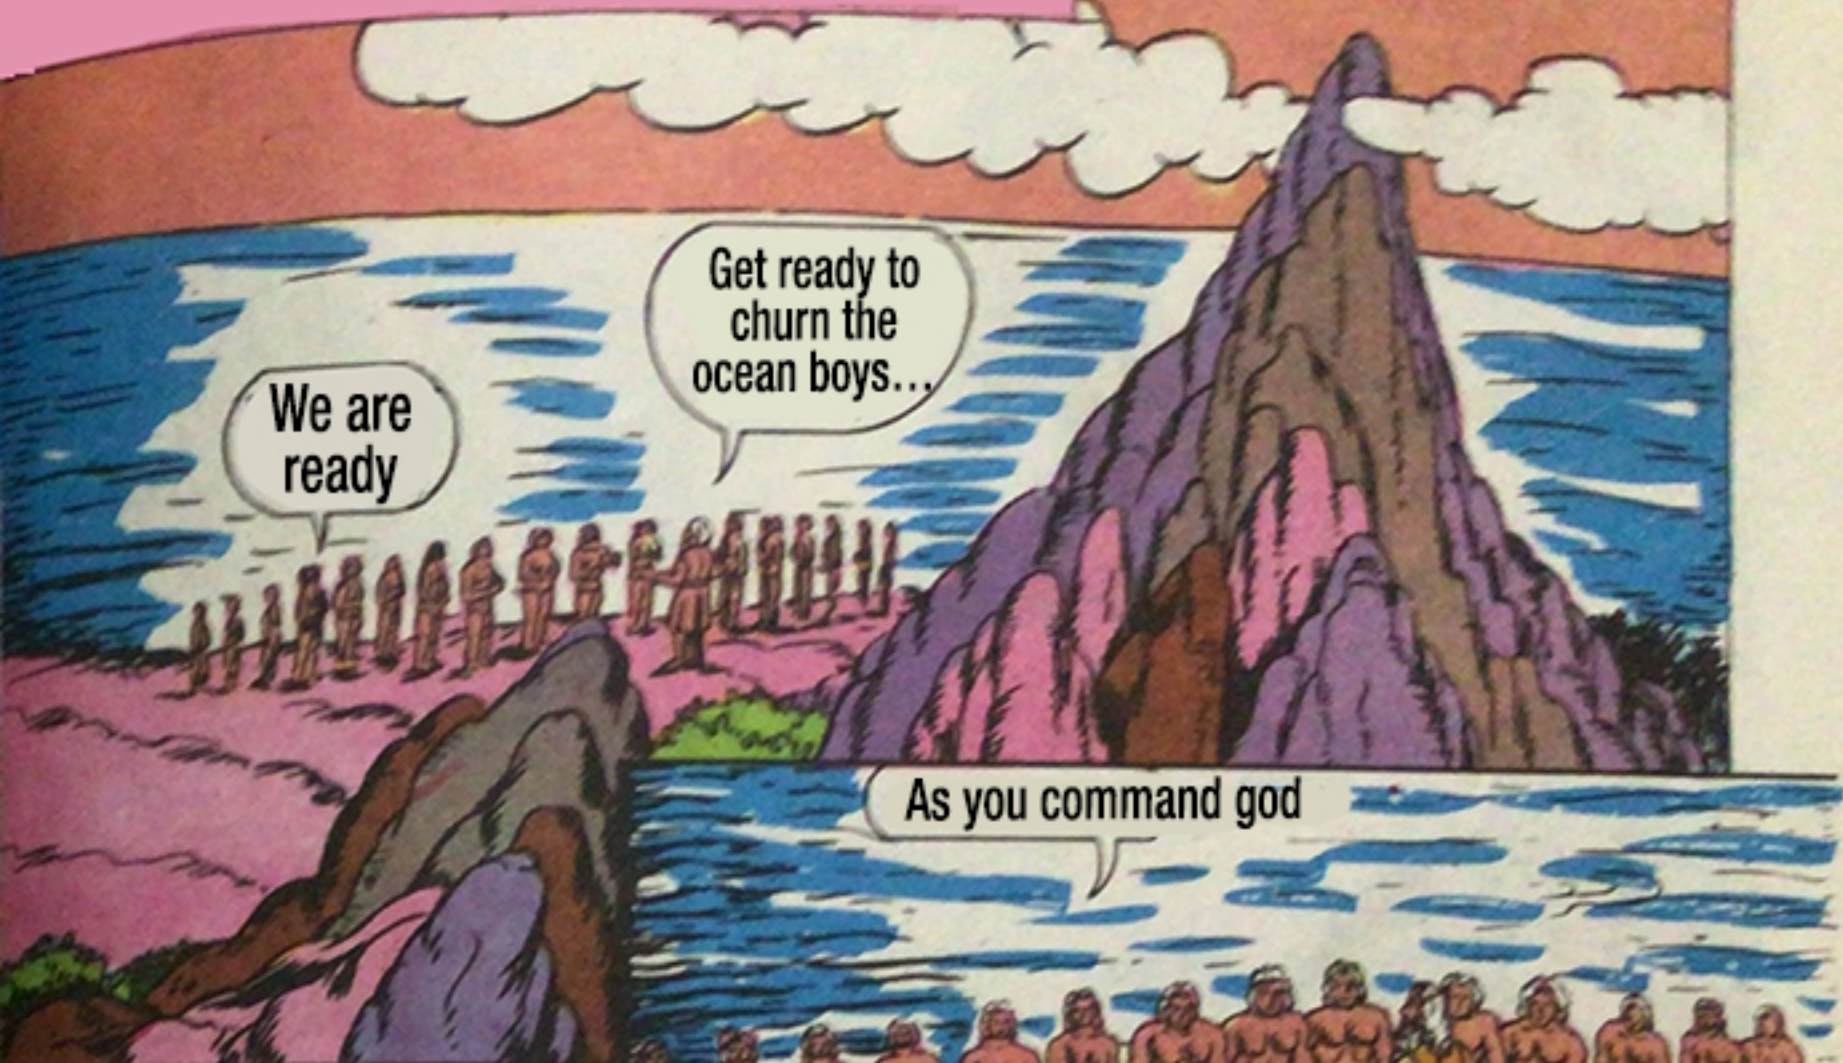

भनाक

..Sage G changed them into boys

From Sage G's hair manifested powerful boys who bowed at the feet of the Sage and in one voice asked the Sage what he required...

We are ready

Get ready to churn the ocean boys...

As you command god

Sage G was deep in thought regarding the surroundings of the mountain

Ready for the churning of the sea were Sage G's strong boys

I now need one tall mountain

With fire from his eyes, he separated the mountain from the ground ....

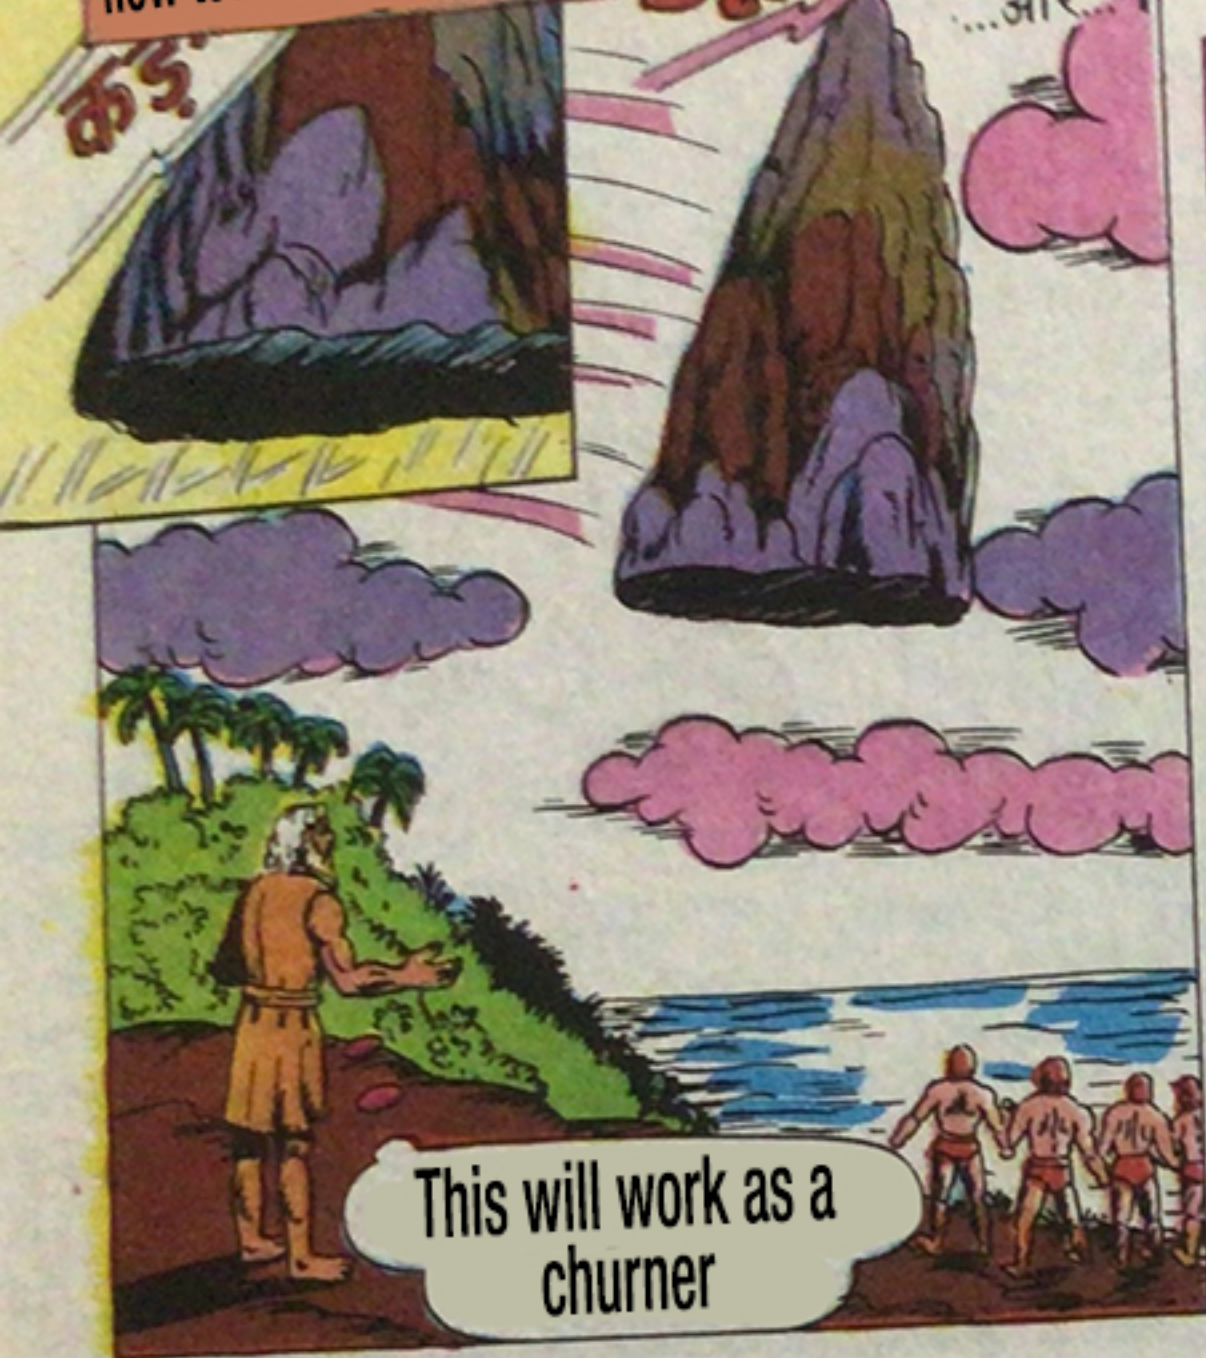

...out of the rocks the tall mountain flew towards the ocean

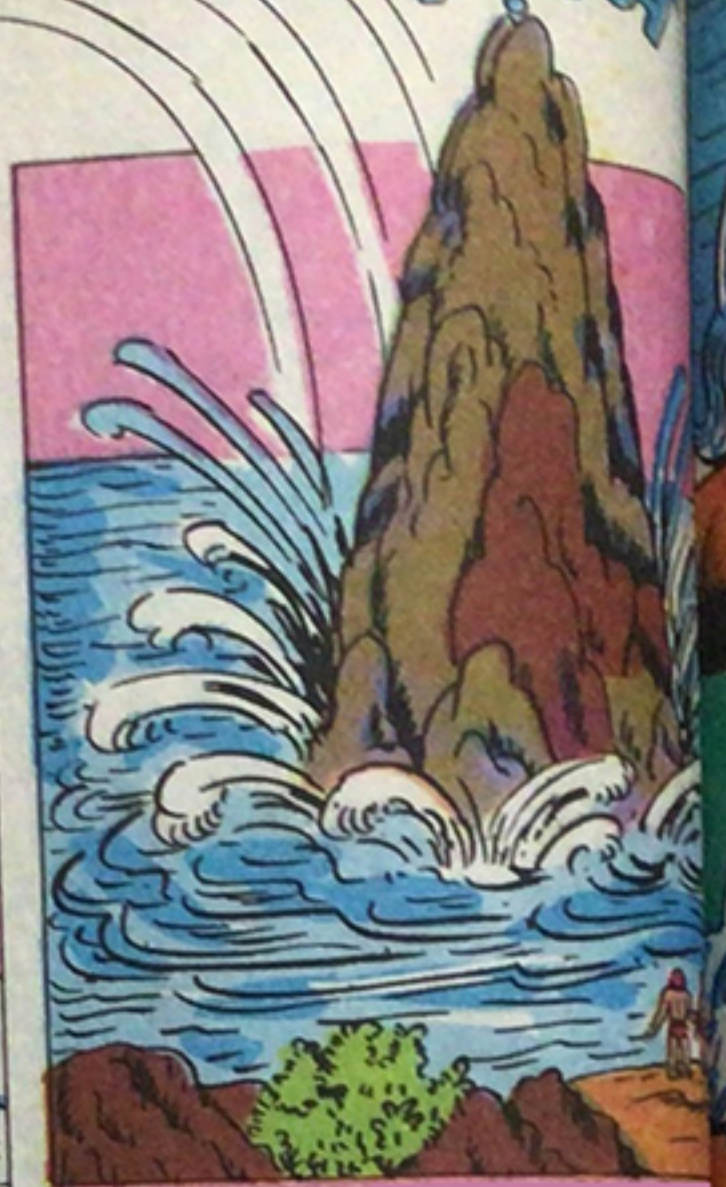

जूम SSSS

...और...

धड़ाम

This will work as a churner

With a loud splash, the tall mountain moved to edge of the ocean

फिर ऋषि घोरगर्जन के आदेश पर... ।

Then on the order from Sage G, the boys formed a chain and held on to the mountain

And now Sage G had a problem, how to move the mountain to the middle of the ocean

Now we have to release this into the ocean

After that..

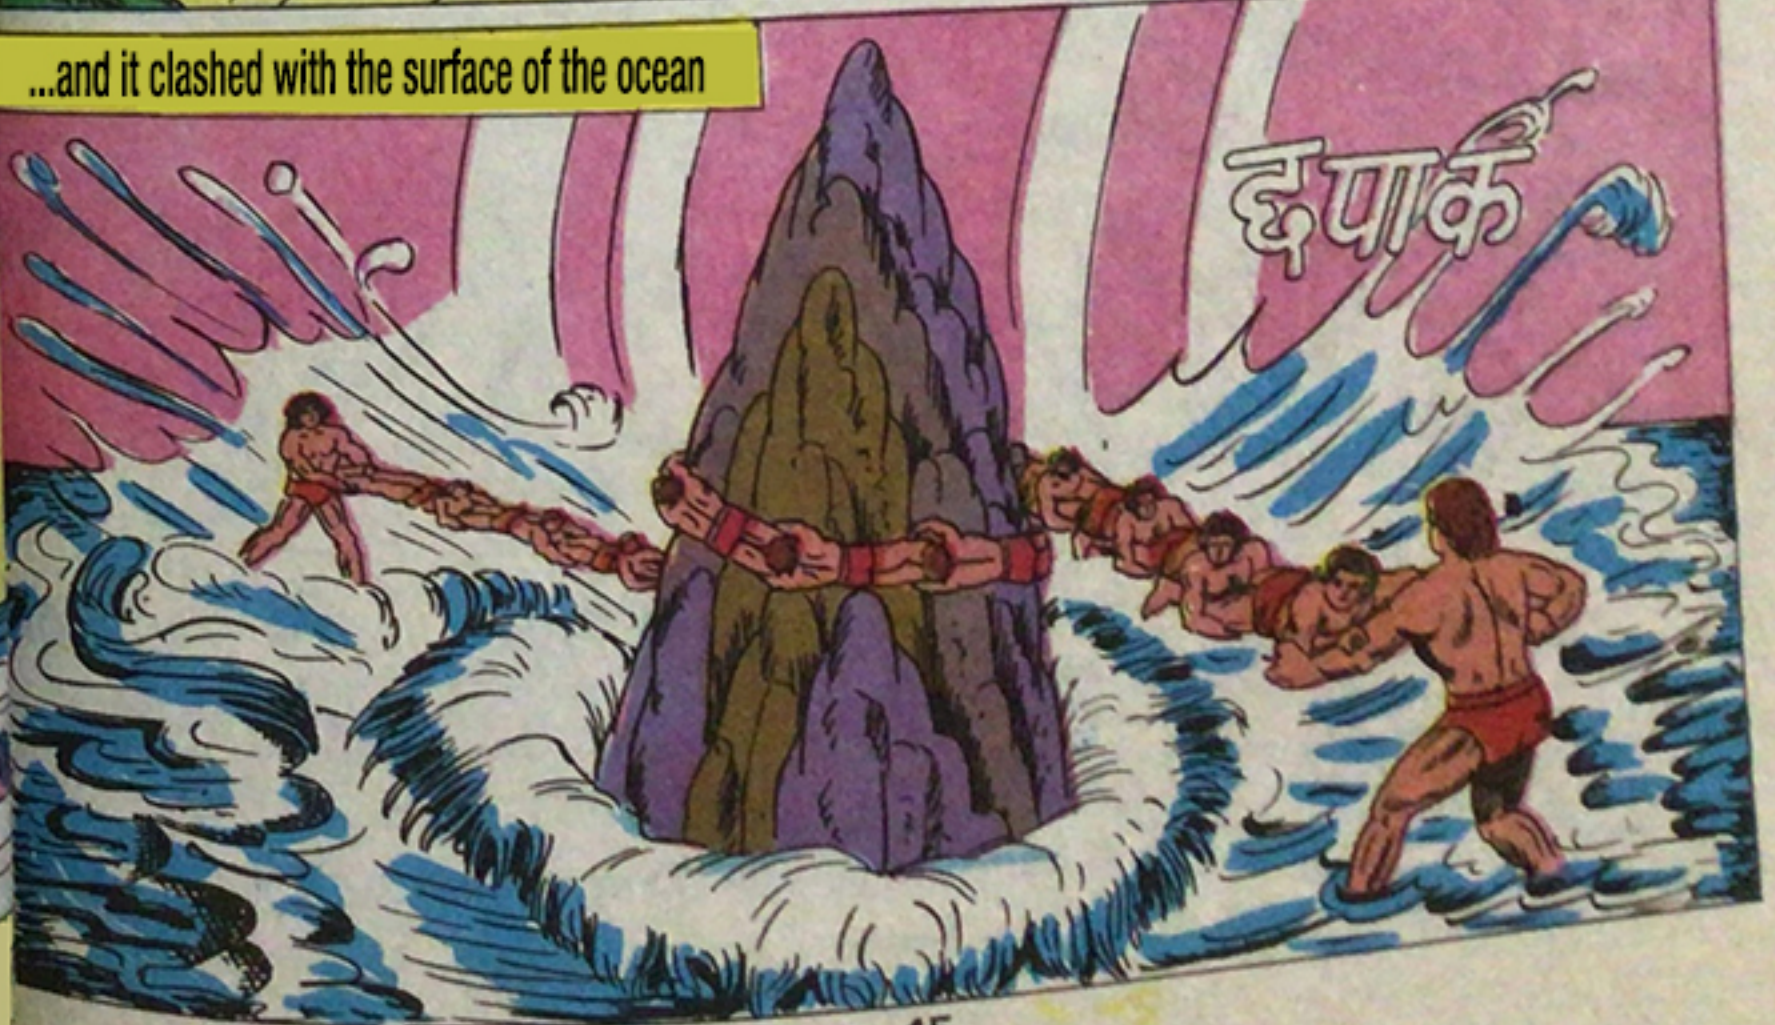

And out of Sage G's mouth came a quick storm

...out flew the chained mountain

...and it clashed with the surface of the ocean

Then started an unprecedented launch, in the same way gods and demons had done on this earth before...

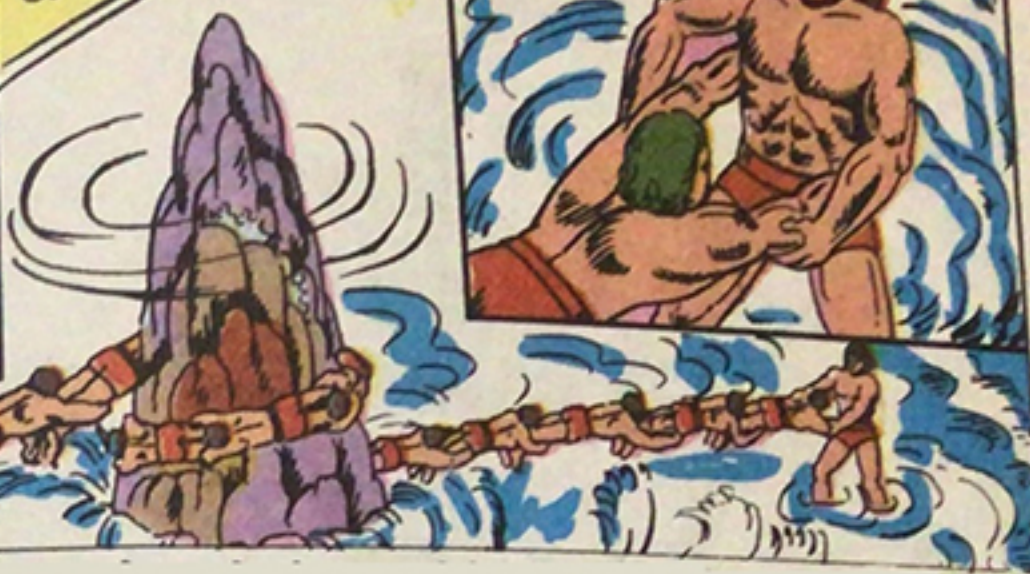

a battle for churning the sea! But the purpose of this was to protect the truth that was tied up to Sage G, in this heart

Days, months, years were spent...

घर्ष... घर्ष... घर्ष...

Sea creatures were restless from this churning of the ocean. The immense ocean was getting sensitive with itself because a baby was born soon after with super powers....

Clocks that were waiting were going to stop now

The ocean churning was happening

Devashakti is about to appear

At this time the entire ocean was frothing/fermenting. The entire earth was rocking/shaking from this great work..

..on the other side, there was a terrible stirring

The earth, the sky and the underworld were shaken about because of the churning sea. A mysterious figure was emerging in the vast womb of the sea, named Devashakti. In Devashakti, the powers of all the gods were in existence. All the creatures of the sea were calling to Devashakti ....

And then he appeared,  
Devashakti...

समुद्र मन्थन

As Devashakti manifested itself, the power of Sage G went along with the boys as a tall mountain, in the infinite water level of the sea.

Devashakti, running on the surface of the sea, arrived in front of Sage G

Greetings Sage

Seeing DS, the anxieties that lay in front of Sage G began to lessen

News about the arrival of Devashakti has not been hidden from Jandhasur

There was a stir in the Talisman Palace

Jandhasur, DS is coming this way

Go PeeshachRaj, finish him off

If he is killed, all his powers will be ours then no force in this world will be able to kill us

DS understood the humility of his inner voice and he started walking to Jandhasur to teach the king a lesson

Insidious and stoic Jandhasur had turned away from recognizing the power of Devashakti.

PeeshachRaj went ahead to clash with DS

It looks like a guard

Oh! He has reached up to here

This is Talisman Palace. But who is this?

Wait, I'll show you now

Seeing DS talisman powers, fear  
struck PR to his soul

The very next moment saw DS kicking the wounded PR down the stairs

DS became death for PR. Bright rays of light emanated from DS

DS pulled out a a full tree with its roots

Whereas the life started to go out of PR

PR looked up to see DS appearing like dried leaves

oh! PR has also been killed

...but my hands won't save him

Sharp and deadly blows made PR scream

And after the death of PR, DJ got out of his den, and seeing him, the anger of Devashakti reached the seventh heaven

Jandhasur! For his death I have taken birth

भयाक

The roots of the tree stabbed holes into PR, killing him

A Talisman Trident appeared in Jandhasur's Hands

The battle had reached a critical point, Jamdhasur received blow after blow but...

Jandhasur was very tough

At one time, DS was filled with amazement

Oh! He is very tough. For his death Divyashakti will have to cut him up

The fierce deadly blows had to be tolerated by that devil who also hurt others but today bit by bit he was forced to get closer to death

Out of DS eyes came unstoppable rays

And what remained were pieces of Jandhasur's body.  
Sage G arrived.

DS returned

Alongwith Jandhasur's death...

was the  
destruction of the Talisman Palace

And SV was free

to the ocean

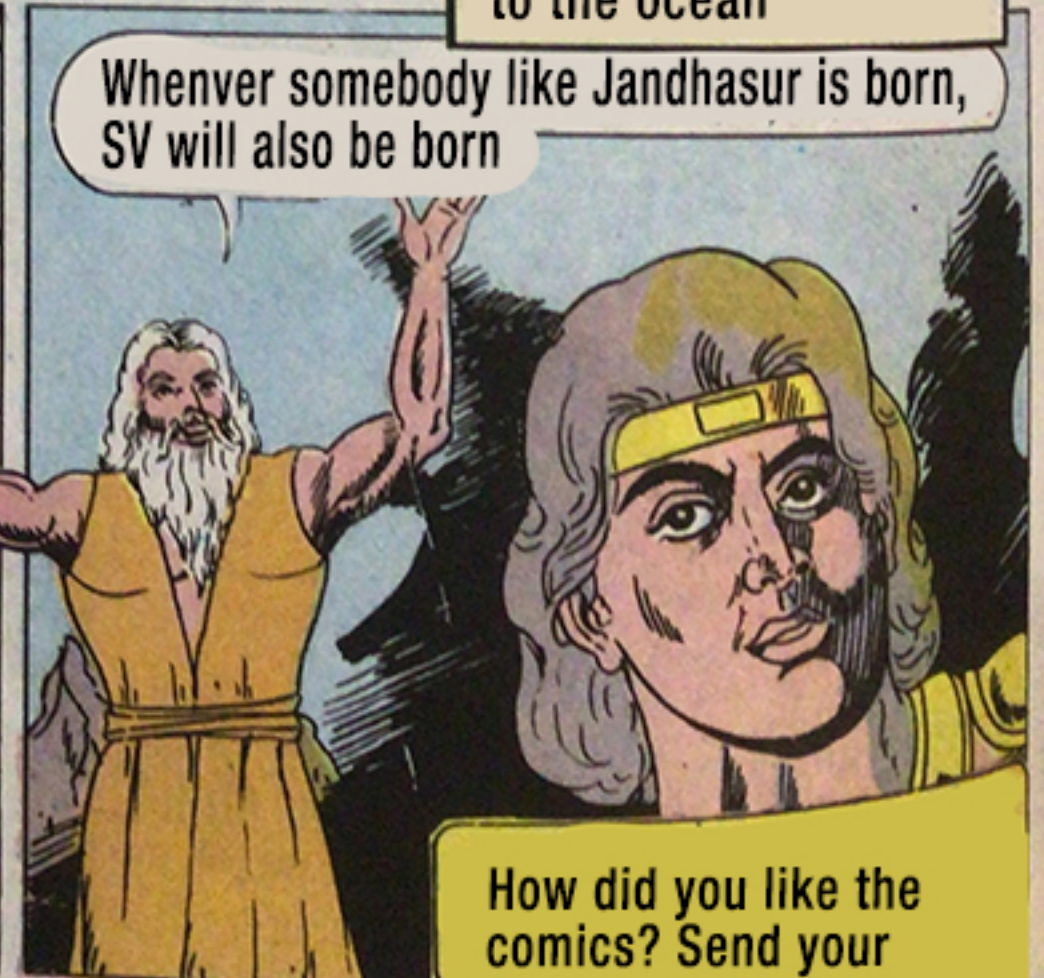

And Sage G....

Your task is

everyone was proud of him.
